Possibly. There were a lot of changes from Janet's last review and now by OGC. She is currently reviewing the January version and the latest version. Most likely this won't move to OP until Monday since Janet leaves tomorrow for the weekend. Friday she is in RTP for AAPAC. I've been working closely with Dee in R8.

Is it possible for you to send me any updates by Friday for rules going out to October, if I'm missing any.

Thanks.

Carissa

Carissa,

I have a conflict tomorrow and may not make the call. We are still on track to get you the UT Regional Haze action by 5/9, possible a few days earlier for informal review. Are you still on track to get the Oil and Gas FIP to OP by 4/29?

Let me know if you need anything else,

Eric
